

Branded Telescopic and Folding Umbrellas: The Travel Corporate Gifts Your Customers and Employees Will Always Carry with Them!

One of the main goals when starting an advertising campaign using **promotional products** is to be with your customers every day. So, [custom mugs](#) for breakfast and [custom pens](#) for work are the best branded merchandise to earn a spot in the memory of your clientele. These corporate gifts, as well as [custom keyrings](#), can be useful at all hours of the day and in all seasons. That is why sooner or later they find their place in the marketing strategy of every company.

Some successful promotional products are very useful in specific situations or periods of the year as well. [Personalised blankets](#) are perfect corporate gifts at winter time or right before Christmas holidays. [Custom beach bags](#) will give a foretaste of your holiday by the sea as summer approaches. These promotional products have a specific functionality, thanks to which they prove to be of great help to anyone. No doubt

they will be used often and for a long time.

Branded telescopic and **custom folding umbrellas** belong to the most popular winter promotional products. Distributed as corporate gifts to customers or team members, they will amaze for their originality and their usefulness. When we think of **branded umbrellas**, we often overlook how versatile they are.

Branded Telescopic and Folding Umbrellas: Only Seasonal Corporate Gifts?

[Branded umbrellas](#) represent always in-demand promotional products when

autumn comes. When rain begins to take the place of the sun, they turn out to be necessary. How many times, however, do they come in handy even in summer or spring, when an unexpected downpour comes? Not only that, but we see umbrellas fulfilling the function of parasols quite often as well. So, these seemingly winter corporate gifts are in fact perfect **promotional products** at all times of the year.

Folding versions of **branded umbrellas** have by now become impressively popular. We all have at least one of these custom folding umbrellas at home. We often keep it in our bag or car, always carrying it with us. Ready to shelter us in the rain, **branded telescopic umbrellas** as well as **promotional folding umbrellas** prove to be inseparable allies for anyone who receives them as corporate gifts or promotional products. As a result, they make proof of an incredible advertising effect, which will give a considerable boost to your company. The reason is to be found in their unparalleled usefulness and practicality. However, the possibilities in which they can be customised play a role in it as well. You can make outstanding personalised company umbrellas with logo as much as branded umbrellas with images and writings.

Branded Telescopic Umbrellas and Custom Folding Umbrellas: The Travel Corporate Gifts to Offer Customers and Employees Maximum Functionality and Practicality!

What makes **custom folding umbrellas** unique if compared to the classic version is the automatic mechanism with which they open and close. This function is designed to make our branded telescopic umbrellas more practical and faster to use. No surprise, then, that everyone appreciates it. In fact, it would

probably be safe to say that our **promotional folding umbrellas** are the most popular version nowadays. Plus, there are various models and sizes, which guarantee maximum satisfaction to all needs and tastes.

Thanks to their versatility and practicality, our **custom folding umbrellas** prove to be excellent promotional corporate gifts for any target. They can be small folding umbrellas or mini telescopic umbrellas – their promotional effect does not change. Companies can offer them during fairs and congresses, or as corporate gifts after a purchase. Also, by giving branded telescopic umbrellas away at the beginning of the year, you can encourage your employees to give their best once they are back to work from their relaxing holidays. Hotels and travel agencies can offer them to guests and customers in all months. **Branded telescopic umbrellas** as much as **promotional folding umbrellas** are always useful when you are on the go!

[Custom Mini Folding Umbrellas with Logo: Find Out Our Pocket-Size Branded Umbrellas](#)

Anyone appreciates **branded telescopic umbrellas**. Always on trend among both customers and employees, these promotional products are practical and compact, easy to carry in your bag, suitcase or backpack. They can be personalised by applying the company logo or an advertising message, thanks to the large surface area available for printing. Some promotional folding umbrellas are fully customisable, so you can even print a photo or image that is meaningful to your business.

Custom mini folding umbrellas are a variety of standard branded telescopic umbrellas. They are even smaller and lighter and can be easily stowed in your bag or backpack pocket. They represent a great corporate gift idea if your company wants to offer its audience or team practical and easy-to-carry promotional folding umbrellas. If you choose **branded cheap telescopic umbrellas**, you can place them in the pocket of your [personalised backpacks](#). In this way you will offer ready-to-use travel promotional products. Your employees can start their journey immediately with no fear of bad weather!

[Just Branded Telescopic Umbrellas? Here Is Our Wide Choice, From Models to How to Use Them as Promotional Products](#)

In our assortment you will find several **promotional custom folding umbrellas** different in size, materials and design. You can choose your branded telescopic umbrellas according to the features that best meet your needs. Here are some examples of what you will find on our site:

- **Promotional cheap folding umbrellas.** The affordable price of these corporate gifts makes them perfect for large-scale promotions. For instance, if your company has just started its business, this is the kind of promotional gifts you need in order to reach a wide audience. They are just as effective when they are combined with other corporate gifts, especially [custom tote bags](#) and [branded water bottles](#). With this combination you will give your team or customers useful promotional products both during travels and in daily life. The result will be maximum advertising return.

- **Large branded telescopic umbrellas.** While being foldable as other custom folding umbrellas, they are bigger. Like [large branded umbrellas](#), these models are perfect for professionals, but fit any target. Anyone receiving these corporate gifts will benefit from the practical automatic opening mechanism and the width of the canopy at the same time. Your **promotional folding umbrella** can thus be used by one or more people, spreading the company logo more widely.
- **Custom mini folding umbrellas.** These corporate gifts are very small and light. With these two qualities, they are perfect to be placed inside backpacks and suitcases of all kinds and be taken everywhere. They are much loved by women, who can comfortably store them in their bags, where they will not take up much space. These **promotional mini folding umbrellas** will always be with your employees or customers. They can thus promote your brand at any time thanks to their compact design and ease of use!
- **Branded windproof telescopic umbrellas.** With these models, the canopy will take no damage even under strong wind. They are durable custom folding umbrellas, suitable for all seasons and

all places – they will serve their purpose even on mountain paths, where the wind can be particularly strong and annoying. They belong to the most effective **promotional products** for mountain hotels, but any company that wishes to focus on quality can offer them as promotional gifts.

- [Branded sustainable umbrellas.](#) Combining the telescopic mechanism with the choice of sustainable materials, these **branded umbrellas** are ideal for promoting the company's

commitment to contributing to the environmental cause. This translates into the brand being sponsored as eco-friendly on the one hand and winning the favour of anyone who is particularly sensitive to the environmental issue on the other.

Effective at sheltering from rain and practical for their pocket size, our custom folding umbrellas with company logo can amaze anyone. We can use **branded telescopic umbrellas** and **promotional folding umbrellas** to protect ourselves from the rain or sun with style and practicality, all the while taking advantage of the comfortable opening mechanism and clearly visible print. Thanks to these qualities, your branded telescopic umbrellas, in the mini, eco-friendly or large version, will increase the popularity of your brand in a visible and original way.
