

Custom Branded Blankets as Personalised Gifts to Warmly Welcome Guests and Thank Customers and Employees

We all need to treat ourselves from time to time. Especially in winter, when low temperatures and grey skies do not help your mood. On the gloomiest days, sitting on the sofa enjoying a cup of tea is often a real cure-all for your health and spirit. It is for this reason that many companies give [custom mugs](#) at the beginning of autumn. Personalised cups and mugs are the best promotional corporate gifts to offer employees or customers moments of care and relaxation.

To protect yourself from the cold, nothing is better than **custom branded blankets**. Useful to everyone, they are perfect promotional products to be given away in the autumn season. Winter is just around the corner and your **personalised blankets with logo** will be used immediately. However, **custom branded blankets** can be useful in summer and spring as well. Think of when you go camping or travel to cooler destinations. Finally, they are must-haves for all hotel facilities, which can give each room a unique and welcoming touch with their personalised fleece blankets.

Custom branded blankets with photos, writing and logo are original and creative promotional products to decorate your hotel, B&B or the home of your customers and employees. They can be laid on the bed, sofa or used as a travel blanket. They are then perfect to offer as **personalised corporate gifts**, especially when the cold season comes. However, they are excellent branded merchandise to offer to your customers or team if these love excursions and outdoor trips. Your promotional fleece blankets will keep them warm even at night!

Custom Branded Blankets with Logo, Photos and Writing for Your Business: Print Your Camping Throws or Travel Plaids

Thanks to the large surface on which any brand can print its logo along with writings and photos, **promotional personalised blankets** are a great investment for any company. By simply using them as corporate gifts, you will be able to better communicate your corporate identity. It will suffice to apply the slogan or representative images of the company on your custom branded blankets to enjoy maximum promotional efficacy. At the same time, as in the case of [custom sweatshirts](#), promotional blankets allow you to print a message for your guest or employee. With this simple customisation, you will make them feel at home and welcomed in your facility or office.

Custom Blankets with Logo for Camping: The Perfect Branded Merchandise for Summer Centres, Campsites and Country Hotels

There are various types of **custom branded blankets**, all to be personalised with your logo, photos or a significant phrase. They can be personalised blankets or plaids made of fleece or cotton – but the options do not end there. Rather, you will have a huge variety of designs, materials and customisation possibilities to choose from. Besides choosing the colours and print to apply, it is important to select the perfect custom

blanket for your promotional intent. If, for instance, your summer centre organises outdoor campsites, **personalised fleece blankets with photos**, logo and brand name are something for you. They are versatile and comfortable for an under-the-stars adventure.

Printing **custom branded blankets with logo** for camping is a great solution for any business that welcomes guests to its structure in the warmest months. These corporate gifts will show the clientele the utmost attention and can be offered together with classic [personalised caps](#). Besides, hotels immersed in nature can provide **personalised camping blankets** to stay under the wide vault of the sky. They can print their personalised throw blankets with photos dedicated to nature – next to their logo, of course. Your custom branded throws will give everyone an unforgettable experience. If your hotel organises outdoor lunches, a good idea is to make [personalised picnic blankets](#) to give to your guests or to use together.

You can then decide whether to offer your **custom branded blankets** to guests only during the night, or whether to give them as free gifts to anyone who leaves your facility, perhaps within our always-winning [personalised tote bags](#). In the latter case, your custom fleece blankets will turn into real **personalised**

promotional products, which will stay with your customers for a long time, keeping the memory of your brand alive. By choosing cheap **personalised blankets** for travel or camping, you can print a lot of corporate gifts with logo, all to be given away to promote your brand!

The Versatility of Custom Branded Fleece Blankets: The Most Useful Promotional Products for Bars, Companies and Hotels in Winter

What is the first image that comes to mind when you think of **personalised blankets with photos**? You will probably think of a warm and comfortable room while it is raining or snowing outside, the sky dark. Winter is the time of the year when **custom promotional blankets** take centre stage. In this case too, hotels can print their **promotional blankets with logo** and place

them in their rooms along with other excellent corporate gifts – that is, [personalised towels](#). This useful and comfortable branded merchandise will give your guests a sweet and warm welcome that they will never forget!

Companies too can distribute warm **personalised blankets** or promotional plaids made of fleece or wool as the cold season approaches. Employees and customers will be able to use your promotional corporate gifts in the comfort of their home on a cold winter evening. You can also print personalised travel blankets with logo which are perfect to be taken on the road and – needless to say – spread your brand name. You can choose cheap promotional personalised blankets to be distributed together with [branded water bottles](#) and take advantage of the timeless usefulness of these promotional products. Otherwise, you can print your own [custom beanies](#) or a pair of [customised socks](#), as they both are perfect corporate gifts in winter.

Promotional blankets with logo are great corporate gifts for bars, pubs and restaurants as well. A lot of activities – especially when it gets really cold – place their own custom branded blankets on outdoor chairs. In this way, customers can enjoy a drink or dinner outdoors even in winter, under our comfortable personalised throw blanket. Taking advantage of this trend to create **personalised blankets with logo**,

writing or pictures can turn into the right chance to promote your brand in a discreet, but effective way. Your customers will notice your logo printed or embroidered on your promotional blankets. Bars, pubs and restaurants can take advantage of the low price of the corporate gifts and buy cheap **personalised blankets** in large quantities, perhaps in addition to [custom coasters](#). Besides promoting the brand, they will create a welcoming environment.

Print Your Custom Branded Blankets: Personalise Them with Logo, Pictures and Writing to Express Your Brand Identity to the Fullest!

Promotional plaids, custom travel throws and **personalised blankets with photos** are perfect corporate gifts for capturing the most significant memories. Printing a shot taken at a corporate dinner or an important company event will create unique **corporate gifts** for the team – especially if the picture portrays all your employees. Needless to say, such promotional gifts can visibly strengthen the relationship within the company. Your employees will be able to take their new custom travel blankets with them during Christmas holidays. Moreover, your personalised fleece blankets will last for many years. Not only that, but your **promotional personalised blankets** and custom branded plaids will be unique gifts thanks to the photo, which represents the brand as a single family.

If, on the other hand, your **personalised blankets with photos** are intended for customers, you can choose to reproduce a scenery that you like on your custom branded merchandise. Pet shops can choose the picture of a puppy – custom blankets with dogs or animals are among the most popular plaids and throws. Similarly, a company active in environmental protection can print a photo of a natural landscape on its **custom branded blankets**. With the resulting branded merchandise, it will raise awareness of the beauty of our planet and how necessary it is to protect it.

Print Your Promotional Fleece Camping Blankets and Personalised Travel Blankets with Photos or Writing: Ideas and Tips

When choosing which **promotional travel or camping blankets** you are going to customise, you need to consider a few factors, such as:

- The size: our custom camping blankets or travel throws are available in different sizes. They will undoubtedly meet your needs based on how you will make use of your **branded merchandise** or promotional gifts.
- The material: you can choose to print promotional blankets with logo made of cotton or polyester – among other options. **Personalised fleece plaids** are soft and fluffy, while microfibre throw blankets are lightweight and durable. They are perfect as **promotional picnic blankets** and can be personalised with photos or cheerful writings.
- Colour: if you want to print your **personalised blankets with photos** and logo, you will find yourself in front of a wide range of colours to choose from for your promotional throws and plaids. The advice is to choose the shade that best represents your facility or company. Another option consists in choosing **custom branded blankets** in neutral colours if you want your promotional

gifts to match any interior design or going for warm shades to convey a sense of welcome and familiarity with your personalised travel blankets or printed camping throws. Finally, cool colours will inspire peace of mind.
